*Founded 1996*

## 20<sup>th</sup> Anniversary Celebration

From 1994, a small group of enthusiastic and purpose driven individuals worked tirelessly to start a Nomads Golf Club in the Lowveld. They wanted to produce a club that would put something back into the game they loved to play and benefit the community they lived in. Their guiding compass was provided by likeminded men from Easterns Nomads Golf Club, who shared their passion for golf with a humanitarian vision. Lowveld Nomads was established in 1996 under the watchful eye of these mentors and has grown to a point where it has shed its “Cinderella” tag and has matured into a vibrant and successful club, which has contributed greatly to both the game of golf and the local community over the years.

We are delighted to have reached our 20 year milestone in 2016.

Lowveld Nomads wish to share this great occasion with all fellow Nomads. Our celebrations will be held at the White River Country Club on the weekend of 23, 24 and 25 September 2016. Please come and join us. We have arranged all the weekend activities at the White River Club and accommodation has been reserved at the adjacent Greenway Woods Resort for all NEC members and meeting attendees. Greenway Woods is only 400 metres from the White River Country Club.

Greenway Woods offer a number of accommodation options, such as standard or deluxe rooms and chalets. There are also Holiday Club and RCI chalets available. Please indicate that you are a Nomad when making a reservation in order to receive the preferentially negotiated Nomads rate.
